## Summary

Motivated Computer Science student with a keen interest in Artificial Intelligence and Machine Learning. Passionate about building projects that solve real-world problems and continuously learning new technologies.

## Education

|                                                                    |                |
|--------------------------------------------------------------------|----------------|
| <b>B.E. Computer Science &amp; Engineering</b>                     | 2024 – Present |
| Stanley College of Engineering and Technology for Women, Hyderabad |                |
| CGPA: 9.41 (Sem I: 9.56   Sem II: 9.26)                            |                |
| <b>Intermediate – MPC</b>                                          | 2022 – 2024    |
| St. Francis Junior College, Hyderabad — 91.9%                      |                |
| <b>Class X</b>                                                     | 2022           |
| Holy Family High School, Hyderabad — 100%                          |                |

## Technical Skills

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| <b>Languages:</b> | Python, JavaScript (basics), C, C data structures           |
| <b>AI/ML/NLP:</b> | Machine Learning, NLP, Groq API, LLaMA-3.1                  |
| <b>Web Dev:</b>   | FastAPI, React, REST APIs, Streamlit, Basic Web Development |
| <b>Tools:</b>     | Git, GitHub, VS Code, Jupyter Notebook, MS Office           |
| <b>Other:</b>     | Video Editing, Content Creation, Debugging Basics           |

## Projects

- TruthLens** – A multi-agent AI tool that checks news for misinformation and clickbait, generating credibility scores with risk analysis. *(Python, Groq API, LLaMA)*
- LLM Safety Evaluator** – A system that scans text for toxicity and bias to support safer AI deployment. *(Python, Groq API)*
- VidyaMitra** – A full-stack career guidance platform with resume analysis, skill assessments, and mock interviews. *(FastAPI, React)*
- MTA Ridership Predictor** – A forecasting model built on 5.29M NYC subway records to predict ridership patterns. *(Python, Prophet AI)*
- Spam Detection System** – An ML-based classifier that identifies spam using NLP and text feature extraction. *(Python, ML, NLP)*
- Smart Attendance Tracker** – A web-based tool built with Streamlit to mark attendance by subject, period, and track percentages. *(Python, Streamlit)*
- House Price Prediction** – An ML model that predicts house prices based on various input features. *(Python, ML)*

## Internships

|                                                                 |          |
|-----------------------------------------------------------------|----------|
| <b>Content Writing Intern</b> – InAmigos Foundation             | Dec 2025 |
| Produced technical and editorial content for digital platforms. |          |

## Certifications

---

- AI Workshop – IIT Hyderabad
- Cryptography and Network Security – NPTEL (Jan–Apr 2025)
- Engineering Placement Webinar – Brainiac Technology
- IBM Python, AI and Development – Coursera
- Introduction to Generative AI – IBM SkillsBuild
- Gen AI and Data Analytics Job Simulation – TATA (Forage)
- Gen AI Hackathon – SmartInternz
- Discrete Mathematics – Coursera

## Activities & Leadership

---

- CSI Member – Stanley College of Engineering and Technology for Women (2024–Present)
- Participated in SmartInternz Gen AI Hackathon – Feb 2026
- School Pupil Leader – Holy Family High School (2022)

## Languages Known

---

|                 |                         |                 |               |
|-----------------|-------------------------|-----------------|---------------|
| <b>English:</b> | Proficient (C2)         | <b>Telugu:</b>  | Native        |
| <b>Hindi:</b>   | Upper Intermediate (B2) | <b>Spanish:</b> | Beginner (A1) |

## Hobbies & Interests

---

- Traveling & exploring cultures
- Solving riddles, Sudoku, Solitaire, and Chess
- Reading novels (Author – Agatha Christie)
- Sketching and Creative Writing
